## Keeping Our Ministry Thriving

While we are not able to meet together for a few weeks, the ministry of St. Mark's is carrying on. We recognize that employment situations for some parishioners may be under stress. Please be assured of our prayers at this stressful time.

For those who are able, we ask that parishioners help us cover the cost of ongoing ministry through their ongoing givings. One option that is available is pre-authorized deductions (PAD). Many at St. Mark's have already taken advantage of this. It allows for a consistent level of giving each month to be automatically deducted. Please see the [brochure on our website](#) for instructions on signing up, email [walker.anne@rogers.com](mailto:walker.anne@rogers.com) or phone her at (519) 756-3685.

For those who prefer to give through their envelope, one option is through Canada Post, as our mailbox will be emptied daily. The church address is 155 Memorial Drive, N3R 5S5. If you are going to mail a donation to St. Mark's we ask that you please only mail cheques and do not mail cash. If you are dropping your donation off to St. Mark's, please do so in our mailbox at the front of the church and please only drop off cheques in an addressed envelope to St. Mark's Anglican Church.

Please be assured that Reverend Tim and the Wardens are doing regular prayerful planning to help our congregation weather this time. For any Parish needs, please know that the telephone at St. Mark's will be checked regularly for messages. If you have immediate pastoral needs please call the church at 519.752.6451 and leave a message and your call will be returned. For a faster response, you can email the church at [office@stmarks.on.ca](mailto:office@stmarks.on.ca)
