

ST MARK'S ANGLICAN CHURCH, BRANTFORD

PHOTO POLICY

Purpose: The purpose of this policy is to define the use of photographs and other recorded media at St. Mark's Anglican Church, Brantford. This policy is faithful to Safe Church policy of the Diocese of Huron.

General group or crowd photographs: St. Mark's Anglican Church, Brantford reserves the right to take photographs, audio or video recording at worship services or any other church-related activities in which individuals are not prominently featured and no identifying information (no tagging) is presented, and to use any of these photos or recordings for fellowship or promotional purposes in media such as, but not limited to, brochures and flyers, the church website, and online photo galleries on all official St. Mark's social media pages without seeking or requiring the consent of each person represented.

In addition to any event or gathering taking place on church property, church-related activities also include gatherings at other locations such as parks, sporting events, mission sites, parishioner homes, etc.

Any individual who objects to potentially being photographed as part of a St. Mark's activity should notify a member or the clergy, a warden, the event coordinator, or the photographer immediately upon arrival.

Any individual who sees themselves or a family member in a group photograph online and would like it removed may follow the photo removal procedure given below.

Requesting removal of a photograph or video: Any individual who appears in a photo/video (or whose minor children appear in a photo/video) that has been posted online may request that it be removed for any reason, even if prior permission has been granted, by sending a written note or email to the church office. Please indicate the person or persons involved and the photo or video in question, and it will be promptly removed from the website or other display where it is found.

Adult individual or small group photographs: When adult individuals or a small group of individuals are photographed, whether posed or candid, each person will be asked for either written or verbal consent before any use of the photographs is made,

Verbal consent will be deemed sufficient to use an adult individual or small group photo that contains no identifying information.

Written consent will be obtained for any photos that contain identifying information.

Photographing minors: When children under the age of 18 are photographed (except as part of a general group or crowd photo as outlined above), the consent of at least one parent will be obtained before their photo will be used in any way. In addition, the following guidelines will be enforced:

- Under no circumstances will any identifying information (first or last name, family members, email addresses, school names, etc) of anyone under 18 years of age be included in or associated with any photographs or videos displayed, posted or published in any way.
- All registration forms for events, activities, or programs, such as Sunday School, youth group, etc. will contain a reference to this policy, a permission request to allow the participant to be photographed in accordance with the policy, and a clear method to allow the signing parent or guardian to “opt-out” of inclusion in any photographs or video recordings. Note that opting-out via an activity sign-up form will apply only to that activity, not as a “blanket” request (See Opting-out below). For annual programs, a new photography release form will be requested every year.
- Any event-related photos including minors must have already occurred. For example, a photo of a prior-year camping trip could be posted or published, while a photo of youth who are signed up for a future camping trip could not.

Opting-out: Parents/guardians who do not wish for their child's photo or video to be potentially posted online or otherwise displayed, regardless of the context, should send a written note or email to the church office and St. Mark's Anglican Church, Brantford. will make every effort to exclude the indicated minor from any individual or small group photography. Please note that children may still be included in general group or crowd photos without identifying information; however, you may always request that any photo be removed from display.

Change notice: St. Mark's Anglican Church, Brantford may change the contents of this policy without notice, and it is recommended to review this and other church policies periodically. Current copies of this policy may be obtained at the parish office.
